09.11.13  Eric P. Newman Education Center, Seminar Room A from 2-3PM
STEVEN ALBELDA, M.D., Co-Director, Thoracic Oncology Laboratories; University of Pennsylvania
“Using In Situ Vaccination and Adoptive T Cell transfer to Treat Cancer: A success for Immuno-Gene Therapy?”
Co-Supporter: Department of Surgery, Division of Cardiothoracic Surgery
10.23.13  The Farrell Learning and Teaching Center, Holden Auditorium from 2-3PM
LOUISE CHOW, Ph.D., Professor, Department of Biochemistry and Molecular Genetics, University of Alabama, Birmingham
“Achilles’ Heel—How to Stop HPVs in Their Tracks”
Co-supporter: Division of Gynecologic Oncology, Department of Obstetrics and Gynecology
11.06.13  The Farrell Learning and Teaching Center, Holden Auditorium from 2-3PM
STEFAN WORGALL, Ph.D., M.D., Distinguished Associate Professor of Pediatric Pulmonology; Weil Cornell Medical College
“Capsid-modified adenovirus vaccines against pulmonary pathogens”
Co-Supporter: Saint Louis University School of Medicine, Division of Infectious Diseases, Allergy and Immunology, Department of Internal Medicine
12.04.13  The Farrell Learning and Teaching Center, Holden Auditorium from 12-1PM
CHRISTIAN L. LORSON, Ph.D., Department of Veterinary Pathobiology, University of Missouri
“Molecular therapeutics in Spinal Muscular Atrophy”
Co-Supporter: Missouri Cures Education Foundation
01.15.14  The Farrell Learning and Teaching Center, Holden Auditorium from 2-3PM
TERRY FLOTTE, M.D., Dean, Provost and Executive Deputy Chancellor University of Massachusetts Medical School
“Human Gene Therapy trials for Alpha-1 antitrypsin deficiency”
***no CME credits will be offered for this seminar***
Co-Supporter: Monsanto Chemistry Seminar Series
02.05.14  The Farrell Learning and Teaching Center, Holden Auditorium from 2-3PM
DAVID HARRIS, M.D., Ph.D., Chair, Department of Biochemistry, Boston University School of Medicine
“The prion protein: a potential therapeutic target for Alzheimer’s disease”
Co-Supporter: Saint Louis University School of Medicine, Frontiers of Science
03.26.14  The Farrell Learning and Teaching Center, Holden Auditorium from 12-2PM
ADVANCED STRATEGIES FOR PROSTATE CANCER SYMPOSIUM
Speakers include: Drs. Sam Achilefu, Jeff Arbeit, David Curiel, Dennis Hallahan, Jeff Michalski & others
